Bentara offers tour packages that include:

- SMM oil palm plantation
- Conservation forest and Raja Balok site
- Keretak Nibung mangrove forest
- Local handicraft centre
- Belitung culinary and tourism spots such as Tanjung Pandan, Tanjung Tinggi Beach, Tanjung Kelayang Beach, Lengkuas Island, Kaolin Lake, Jungkong Hill, Kata Museum, House of Ahok etc.

historic and sacred Raja Balok forest and cemetery -- the site of Belitung's first and largest kingdom in the 17th century.

Lunch is served while enjoying the ambiance of Keretak Nibung mangrove forest, where you will also get a chance to interact with local communities and see their handicraft work.

Before dusk or in the early evening, you may prefer to explore the forest to see Tarsier, an endangered nocturnal primate that can be only be found in Southeast Asia, including Indonesia.

BENTARA 1 - 1D1N Tour Package

- Tour of oil palm plantation
- Exploration of conservation forest and mangrove forest
- Visual exploration of Tarsier

Upon morning arrival at Tanjung Pandan's airport, you will be picked up by a comfortable car to start your visit to PT SMM oil palm plantation, approximately just an-hour drive from the airport.

After checking in and having breakfast at ALC, you will be guided to experience an up-close and interesting process of oil palm plantation -- from seeding, nursery, harvesting to replanting.

Our facilitators will show you how oil palm fruits are produced into CPO, including hands-on display of processing at the mill into storage to the storage tanks, sorting and managing waste and liquid waste into biogas transformed into renewable energy.

You will then continue your journey to our conservation forest and explore various flora and fauna, including the
